

Stuff, Stamp and Sealing your Envelopes

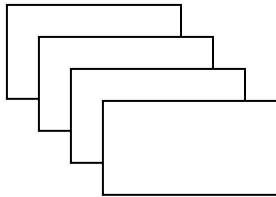

CAUTION

These are hand-lettered envelopes and do require a bit of extra caution.

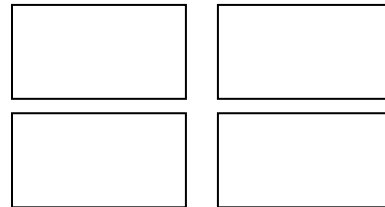

DRYING

Allow your envelopes to lie separately while drying.
DO NOT STACK ONE ON TOP OF THE OTHER.

RAIN

Do not mail with rain in the forecast to avoid smearing.

POST OFFICE

Ask the Post Office to weigh one of your stuffed envelopes to ensure you are purchasing the correct amount of postage.
Often times extra postage is required.

HAND CANCEL

Ask to hand cancel the envelopes.
Sometimes they'll let you do it, because they don't want to.
